Additional information on the number and types of incidents can be provided on request. Carriers use different point count systems for rating purposes. The number of points shown on your declarations would not necessarily match the number of points assigned by another carrier.

YRS DRIV EXP (YEARS DRIVING EXPERIENCE): The number of years a driver has been licensed to drive a motor vehicle anywhere in the world. However, a driver must have at least 18 months current driving experience in the United States, U.S. Territories, or Canada, before foreign country driving experience can be counted.
